## DID YOU KNOW?

- The second day of February is often referred to as Ground Hog's day. The old stories are told that the ground hog comes out of its burrow on February 2, to look for its shadow. If there is sunshine and he sees his shadow, then he goes back to sleep and there will be more winter. If he doesn't, then spring time will begin. It is a superstition.
- Valentine's Day is a custom that dates back to the 1400's
- The third Monday in February is President's Day, both Washington and Lincoln's birthdays were in this month. The day is a federal holiday celebrating Washington's birthday, but most states also honor all presidents on this day.
- On February 2, the Roman Catholic Church celebrate Candelmas Day. The candles used in the church during the rest of the year are blessed on this day.

### Looming club

We have formed a looming club which meets every Monday at 3:15 pm. If you would like to learn to loom we would love to teach you how. Presently we are making baby hats or toboggans for newborns and donating them to hospitals. We would like to take this opportunity to let you know that we will make a baby cap for your grandchild, great grandchild and or friends or family members that would like to have one. Let Kim know what color and sex of the new baby, we would love to be able to share the love through our baby hats.

Thirty days hath September,  
April, June, and November;  
All the rest have thirty-one,  
Excepting February alone,  
Which hath but twenty-eight, in fine,  
Till leap year gives it twenty-nine.

### **Valentine Verse**

Now St. Valentine is here.  
We greet his birthday with a cheer.  
For happiness from friend to friend  
Flies with the Valentines we send.

Today as Valentines go out  
To people near and far,  
This one I'm sending right to you  
To say how nice you are.
